Indicator will be on while remote is charging.
Indicator will be off while it's full charged.
Note: if the remote control is not used for a long time, please charge it every two months.

Product Data

Output	RF signal
Operation Frequency	868/915/434MHz
Power Supply	3.7V(Lithium battery, USB charging capability)
Operating temperature	0-40°C
Relative humidity	8% to 80%
Dimensions	115.4x58.8x12mm

• Control 8 zones of receivers separately
• RGBW controller
• Compatible with all universal series RF receivers
• 1 receiver can be paired by max 8 different remote controls.
• Waterproof grade: IP20

Safety & Warnings

• This device contains a button lithium battery that shall be stored and disposed properly.
• DO NOT expose the device to moisture.

Operation

Pair with RF receiver

Turn on RF remote → Click "Learning Key" on RF receiver → Click one of the zone numbers:**1-8** → Touch the color wheel 🎨 on the remote → LED lights connected with the RF receiver will flicker once

→ The receiver is paired with corresponding zone successfully.

Save color/scene/mode:

Turn on RF remote → Click one of the paired zone numbers → Operation the buttons to select a color /mode you like → Press and hold down button **S** until the LED indicator flashes once

→ Immediately click any of the zone numbers that you would like to save the color/scene to → The connected LED light with RF receiver will flash → The color/scene is saved successfully.

**Recall the saved colors/scenes:**

Turn on RF remote → Click any of the zone numbers you would like to recall the scene/color → Click button **S** → Click the zone number again to recall the saved.

How to delete the pairing:

Press and hold down "Learning Key" on the receiver for over 3 seconds until connected LED lights flicker twice, which means the pairing is deleted successfully.

If you use multiple receivers, you have two choices:
Option 1: have all the receivers in the same zone, like zone 1

Zone 1   RF remote
Option 2: have each receiver in a different zone, like zone 1, 2, 3 or 4

RF remote

Zone 1   Zone 2   Zone 3
